

THE
ACTS
OF THE HOLY SPIRIT
THROUGH THE APOSTLES

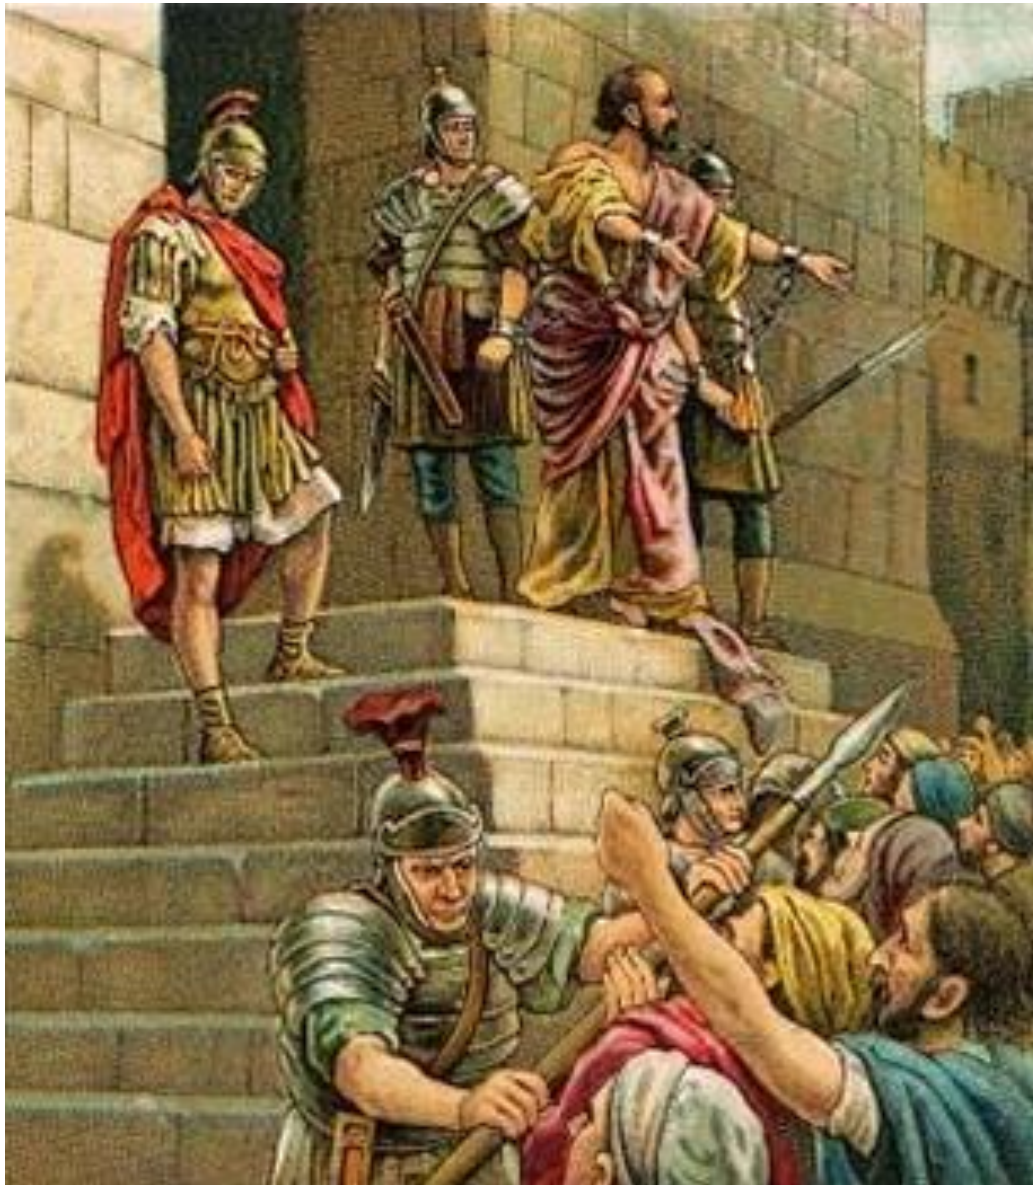

2nd Temple in Jerusalem

Paul is arrested in the Temple

Paul gives his first defense

Application

1. Develop ways to share your faith. Be ready to give a defense of what you believe biblically, and why. Learn to give your testimony.

2. Rest in the Word of God. It is always true. It is always right. Every promise in the Bible is true. Some of the promises is for others. But every promise to you which is for you is true.

3. Expect opposition and persecution when you stand for Christ. Often times as believers you will be misunderstood. Let others know clearly who you Worship.
