

# ESTHER

1. The first lesson two weeks ago was that we need leaders who love The Lord.
2. We should avoid the dangers of alcohol abuse.
3. He also reminds us that we should risk doing the right thing.
4. We have the right plan for family problems. (Eph. 5:22-25)
5. We've also found The King worth following.
6. First lesson last week is that rejecting God's way leads to a sick society.
7. God wants His servants to stand in the gap.
8. God has a heavenly purpose for our earthly success.
9. The right choice changes everything.
